CROWD EXCEEDS

Continued from Page 1.

D. Thor reported to the police that while on the way to the fair grounds his pocket was picked and a purse taken conpocket was picked and a purse taken containing \$7 or \$8 and a gold ring. Just before missing his pocketbook he noticed a man at his side, who jostled him and acted in a manner which led Mr. Thor, after discovering his loss, to conclude that he was the thief. He gave the police a description of the man and he will be arrested if he shows up at the fair grounds or is seen upon the streets.

Robbed on Train.

Mr. and Mrs. W. H. Williams, who are in the city on their way to Pasadena, Cal. reported the loss of a purse containing \$62 and a steel blue diamond ring valued at \$90. Mr. and Mrs. Williams came in on the first section of Denver & Rio Grande the first section of Denver & Rio Grande train No. 1 yesterday. The purse, containing the money and the ring, was to one of Mr. Williams' coat pockets. Soon after leaving the train Mr. Williams discovered the loss. He is not certain whether he was robbed on the train or after leaving it

Fair weather for today and probable for ne rest of the week will prevail, accord-ing to the weather forecast of V. H. Church, weather observer, temporarily in charge of the Salt Lake bureau. Dr. R. charge of the Salt Lake bureau. Dr. R. J. Hyatt got away from town in time to avoid being blamed for the disagreeable weather of yesterday and the day before. He shifted the weathermaking as well as the blame connected with it during fair week to his colleague, Mr. Church. The state fair management and the race track fans brought enough pressure to bear upon that young gentleman and he has now changed his mixture and will serve good weather for the rest of the week.

More rain fell yesterday than during the entire month of September. The precipitation recorded at the weather office from 6 in the morning to 6 at night was 52 inch, while the amount that fell during the month of September was only The temperature ranged from 41 to inch. The temperature ranged from 41 to 51 degrees, the average being 12 degrees below the mean temperature for this date in thirty-three years.
